

Giftng Policy for Benefit Geelong: Grant Program Guidelines and Application Conditions

Benefit Geelong is a not-for-profit organisation that receives revenue from the Bendigo Bank's linked customer accounts.

The program will provide financial assistance in the form of grants, donations, and sponsorship to charitable and not for profit organisations for the Benefit of the Geelong community.

Who Can Apply

Charitable or not for profit organisations/clubs and community groups can apply for grants that offer clear public benefit for the community. Projects should show clear contribution in building the areas of social capital, community welfare, the environment, health education and/or culture. Member-based organisations where the grant will only benefit members and not the wider community are excluded e.g. purchasing sporting equipment for the benefit of members only.

Organisations must supply details of their ABN (where applicable).

Applications for grants must be made on the appropriate application form and submitted to the Sub-Committee for consideration prior to being presented to the Committee.

What Can Be Funded

Preferences will be given to projects that support, add value, are relevant to the community, represent a tangible positive benefit and protect the integrity of Benefit Geelong.

- Community facilities/ projects
- Youth projects/family facilities
- Projects senior citizens facilities or projects
- Recreational projects
- Projects should be located in the Geelong Region

Acquittal reports will include providing receipts, invoices, evidence of project expenditure, copies of any relevant media coverage and a statement from the organisation describing the impacts that the project has had on the community that can be used for media purposes. Any unexpended funds must be returned.

Applicants must provide a statement of achievement outlining if the project was successful and met the original applications proposed benefits to the Community and provide an overview of the impact that the project has had and will have in the future.

Insurance

It is the applicant's responsibility to obtain and maintain adequate insurance, (including public liability), with a reputable insurer in relation to activities carried out by the applicant for the project to guard against any claims for loss or damage to property and injury or death to persons. Applicants must provide a certificate of currency demonstrating appropriate insurance cover as part of their application.

Grants Committee Reporting

The Gifting policy will be managed by a subcommittee of three committee members who will assess each application which will be considered according to the funding capacity and budget and the number of projects to be supported.

Grant assessments will be presented for consideration to the Committee in April/May and Sept/Oct Committee meetings.

The Grants Committee will report to the Committee at each Committee meeting outlining the number of applications received, the amounts requested, a brief overview of the projects and specific details for any recommended projects. The report will also detail how grant monies have been utilised to date based on reports received from grant recipients.

The members of the grant sub-committee will be reviewed every two years. When Sub-Committee members change there will be an overlap, so all the members are not changed at the same time."

This Gifting policy is to be reviewed by the Grants & Sponsorship Sub-Committee on an annual basis and referred to the Board for approval if any changes are to be made.
